WORK EXPERIENCE

NATIONAL LEVEL HACKATHON |PARTICIPANT

SRKR ENG. COLLEGE BHEEMAVARAM | 16-17 FEB-2024

Qualified and participated in the final round of PRAJWALAN 2K24 - A 24 hours NATIONAL LEVEL HACKATHON at SRKR Engineering College, BHEEMAVARA.

TECHNICAL HUB | TRAINEE

SURAMPALEN | 2022 - 2024

During my tenure as a trainee with Technical Hub at Aditya Engineering College, Surampalem, I underwent comprehensive training and development in learning fundamental programming concepts and languages essential for software development to gain practical experience in coding and problem-solving.

NYROS TECHNOLOGIES | INTERN

SKS MEGA TOWNSHIP, KAKINADA | JUN - JUL 2024

I recently gained valuable experience at Nyros Technologies-BRS Studio, where I was actively involved in software development tasks. My responsibilities included collaborating closely with a skilled team to meet project milestones. This role provided me with practical insights into coding and enhanced my proficiency in the field of software engineering
